- ◆ Help us to be brave and stand up for what is right - Daniel and the Lion's Den – Open the Book
- ◆ Easter Service

Easter Service

Thank you to all our families who joined us this morning for our Easter Service. The children sang beautifully and their voices raised the roof! Each class prepared an Easter poem to recite and our school choir helped to lift our spirits further with two beautiful Easter Hymns that they have spent their lunchtimes practising with Mrs Dolphin.

Our thanks also to Allan Steven who delivered the service.

Staffing

Mrs Dolphin

As you are aware, Mrs Dolphin, our music teacher and leadership cover is leaving today to take up an exciting new opportunity with the church of England. On behalf of the school, we would like to thank her for her contribution and wish her the very best in her future career. Once we have completed our rigorous recruitment process, we will update you as soon as we appoint for the position.

Mrs Rose

We would like to extend a warm TG welcome to our newest member of staff, Mrs Rose, who has been appointed as our Class 3 Teaching Assistant to work alongside the team. Mrs Rose will be taking up her role as of the first Tuesday after the Easter holiday.

British Science Week

Last week, we celebrated science with brilliant activities across the school. Class 1 were noticing and observing 'sneaky' shadows; Class 2's experimented with printing with light and a very tricky challenge to create accurate sand timers; Class 3 created camouflaged moths and used computer programming to send a character across time; and finally, Class 4 created anatomical clay hearts. Everyone enjoyed the array of learning experiences and we would like to thank Mr Boothroyd, our Science Lead, for sourcing the activities.
